2. In my communication No.reference 9 C.R. 1369 dated 23-8-1930, I requested the Government to finance the scheme in the Cantonement and Fort areas on the same ~~taxes~~ lines as water supply scheme to Bruce Pette. It appears nothing has been done in this matter until the water supply scheme in the above areas is adequately financed I would request the Government to accord sanction to levy water tax at 7 3/4 % in the said area.
